INTRODUCTION

This event has been designed to give young people the opportunity to build their knowledge and understanding of the beef industry, in a safe and welcoming environment. Activities will target all age groups and experience levels, and our committee will be available to help you. We have placed a strong focus on ensuring that the demonstrations are age appropriate and that practical skill and knowledge will be able to be taken away from the event.

For those that don't have access to a suitable Hereford animal, cross bred steers or heifers may be shown as long as they are at least 50% Hereford, if that is still not an option there will be loan animals available. Simply select 'Loan Animal required' in the entry form and leave the rest to us.

A **designated camping area** is available for participants to stay on the Show grounds. Children aged 12 and under must have a parent or "Camp Guardian" accompanying them for the duration of the Heifer Show. In addition, the Committee encourages all parents to attend, stay on the Showgrounds, and get involved in the program. The success of the event relies on help and participation from parents.

The Entry Fee includes the full educational and fun program, membership to Herefords Northern NSW, Friday dinner, Saturday night formal dinner, a competitor shirt, cap and promotional gear and the chance to win some great prizes.
